

# EU funding compass for cities

Elise Lindner, 27.01.2015

# Needs and questions

What does the EU finance?

Who can help our city prepare EU projects?

How to increase EU funding in our city?

We lack time and resources to manage projects: who can help?

# Funding compass for cities

EuroVienna, an agency at the service of the development of EU projects in and for Vienna:

Legal setup:

Our services:

**Project development**

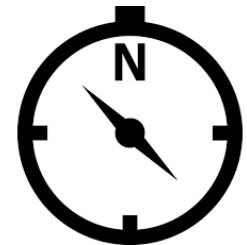

**Project management**

**Financial management**

## We offer:

- **Consultation** about funding options and EU programmes 
- **Searching for EU funding** - finding out which EU programmes are most suitable and have open calls for proposals
- Preparation of **project applications** for EU programmes incl. budgets

## For the EUSDR - PAC10 Pilot initiatives:

- Preparation of EuroAccess Danube Region, an **online “funding compass”** for EU-funding in the Danube Region
- Technical assistance services for Danube Region projects (**TAF-DRP**) – also for Cities – new call in 2015

## We offer:

- **Project coordination** (e.g. project team, guidelines, checklists, organising meetings, workshops, etc.)
- **Communication** (internal or external), PR-work, communication for events, etc.
- **Reporting and monitoring**

## For the EUSDR - PAC10 Pilot initiatives:

- Financial support for the preparation or implementation of small projects – **START** (small grants <40.000€) – Also for cities (but limited interest) – new call in 2015

- **Financial monitoring and controlling**
- Preparation of **financial statements** and support in case of **external audits**
  - Documentation of all project expenses
  - Support at First Level Control (100% check)
- **Preparations for payments of EU funding**
- **Use of a professional IT-tool for project management** (documentation, monitoring, financial verifications, timesheets, etc)

# EU projects, together it's easy!
